

Equine Grass Sickness Event – Help us fight this dreadful disease

The Moredun, Equine Grass Sickness Fund and British Horse Society “Biobank Bus” will be at the **Orkney Riding Centre** on **Wednesday 25th August at 6pm.**

All welcome to come along to hear about this new, exciting project investigating the causal agents of Equine Grass Sickness - and how you can help!

There will also be an opportunity to look through the “Biobank Bus” which will be used for collecting samples during the project. We look forward to seeing you there!

Please contact beth.wells@moredun.ac.uk if you would like further information about this event.

If you cannot make it to the event but would like to support EGS research, you can find more information about our biobank project and how you can get involved by following the link below, or email kathy.geyer@moredun.ac.uk
