

High health, sustainable systems in an upland livestock farm

Moredun invite you to a farm event in partnership with Scott Mitchell and Associates Veterinary Practice and the Farmers Network.

By kind permission of the Acton Family, Bradley Farm, Bardon Mill, Hexham, NE47 7AG.

Topics under discussion will be practical roundworm control to maximise lamb growth and production and the maintenance of a high health cattle herd.

Monday 12 November, 12 noon - 4pm.

Meeting at the Twice Brewed Inn at 12 noon for lunch.

Kindly sponsored by Elanco and Boehringer Ingelheim.

Numbers are limited so please RSVP to Beth Wells (beth.wells@moredun.ac.uk or 0131 445 6157) as soon as possible and before Monday 5 November.
