

Cattle health, minerals and geese

More dun and Norvite invite you to our cattle health event to be held at Rennibister Farm, Kirkwall, KW15 1TX, by kind permission of Al and Karoline Watson, on Tuesday 19 November, 11am - 3pm.

Presentations and discussion topics:

- The Orkney Goose Study: Beth Wells, More dun
- BVD Eradication: Sheila Voas, Scotland's Chief Vet
- How And Why You Should Calculate Your Herd's Iodine Intake: David McClelland, Norvite

This event is free of charge, all welcome and lunch is provided.

Please RSVP for catering by Thursday 14 November to Willie Stewart, williestew3382@aol.com or telephone 01856 873382.

Parking is limited so please lift share if possible.
